You don't often get email from cityofegegik@outlook.com. [Learn why this is important](#)

RCA:

The City of Egegik would like to request an extension for filing its PCE Annual Report. City would like to request an additional 30 days from today.

The reason for the extension request is the City of Egegik has been understaffed for the holidays. Person who files report had to do outside work including snow removal, equipment maintenance and electricity powerplant repairs. I understand the importance of the PCE Annual Report, however other things took precedent. Later this month City should have most everyone back to work.

Thank you for your consideration. In the event, PCE Annual Report extension is not granted, I will complete report as soon as I am able.

Sincerely,

Bill Yost  
City Administrator

Brenda,

Thank you for the reminder on December 20th. I am having trouble completing the PCE Annual Report and would like to request a time extension. We are short of help over Christmas/New Year's and I have been doing equipment and powerplant maintenance as well as snow removal in addition to office work. I have been the only office person since the 15th.

Thank you for your consideration,

Bill
